Important New Scholarship Information

To: Key Club Scholarship Applicants and Key Club Advisors

From: The Foundation of the NJ District of Kiwanis and the NJ District of Key Club

The NJ Kiwanis District Foundation and the NJ Key Club are happy to announce two new scholarship opportunities. Due to a generous donation by Immediate Past Governor Gordon Meth and his wife Suzanne, there will be two new scholarships, each will be for \$1,000 that will be known as the *Gordon and Suzanne Meth Key Club Scholarship*.

The scholarships will be handled through the Key Club Scholarship process and will require an additional form. The primary criteria for this scholarship is that neither of the student's parents have completed an associate or four year college degree. There will be one scholarship awarded to a female Key Club member and one to a male Key Club member. The attached form must be completed, signed by the parents and their signatures must be notarized.

The standard NJ District Key Club Scholarship forms must be completed in addition to the attached form for the new *Gordon and Suzanne Meth Key Club Scholarship*. If the NJ District Key Club Scholarship forms have already been submitted, this additional form should be sent to the NJ Key Club Scholarship Chair
