New Jersey District
Key Club International

Introduction Letter

Hello New Jersey District,

My name is Emma Ke and I am honored to be serving as the 2019-2020 District Governor for the NJ District of Key Club! Being in Key Club for three years, as a General Member and a Lieutenant Governor, has taught me so much not only about serving others in your community, but truly making a difference. Key Club has grown to be such a large part of my life, and I am so honored to get to work with people who have the amount of passion and hard work into bettering our homes, schools, and communities. I cannot wait to see you all grow this year, and be of utmost assistance to all of you.

Aside from my commitment to Key Club, I am currently a junior at Hunterdon Central Regional High School in Division 13. There, I am in multiple honors societies as well as our Dance Team and Revolution 4 Children club. While I do participate in these other activities, Key Club has been and will remain my number one priority.

In the past service year, I served as the Lieutenant Governor for Division 6 and the chairperson for the District Programs and Midwinter Training Conference committees. Our incredible district has made significant strides in helping district growth, in aspects such as our District Project Hunger in New Jersey, raising awareness of sexual harassment through our Advocacy Focus, and aiding Key Club International's Preferred Charities. We will accomplish so much this year, and I hope to build upon this success to further impact the world.

As District Governor, I will utilize all of my past experiences and skills to better understand and increase the effectiveness of our district as a whole. Some of my goals for the service year include but are not limited to:

- **Stretch our influence to K-Family Relations to improve communication and support with clubs**
- **Utilize resources and members to maximize efficiency in the district**

- Constantly communicate with all district board members
- Connect with the New Jersey District through a District Remind and video updates
- Evaluate and support all committees to ensure their success
- Serve the district through the best training and resources
- Share the love of Key Club through membership growth promotion

I absolutely cannot wait to work with you all this year. I will do my best to see that all of my goals are met through constant persistence and leadership. Not only that, but I will do my best to serve as your Governor and as a fellow Key Club member, because we are *all* student leaders.

Key Clubbers are some of the most passionate people I have ever met, and I hope to be able to continue to foster that passion for years to come. I cannot wait to give back to an organization that has given so much to me. Our District can only grow this year, and we will continue to serve those who need it most and spread the positive Key Club atmosphere to Key Clubbers across New Jersey.

If there is absolutely anything that you need, or if you have any questions at all, please feel free to reach out through email, text, or call. I will be more than happy to help out, and I cannot wait to grow with all of you this year!

Yours in Caring and Service,

Emma Ke

2019-2020 District Governor
