Introduction Letter

Hello New Jersey District,

My name is Gillian Bayne, I am currently a junior at Phillipsburg High School, and I am honored to be able to introduce myself as the 2019-2020 District Treasurer. These past years in Key Club have truly made a positive impact on my life, and I am excited to help spread the same impact on each and every one of you. Whether you are a club officer or general member, just know you can always reach out to me with any questions you may have. I am very thankful to be given this opportunity, and I am very excited to grow with all of you this upcoming service year.

Asides from my Key Club duties and obligations, I am involved in my school's Forensics Speech team, National Honor Society, and am the Swim Team Manager. On the rare occasions in which I have free time I enjoy drawing and painting as well baking — my baked goods are a hit among all board members. However, no matter any other organization I may be involved in or hobbies I may have, Key Club has always been and will always be my main priority.

This past service year has been filled with many memories and experiences I am incredibly grateful for. I had the opportunity to serve as Lieutenant Governor of Division 13, and within this position I became the chairperson of Saturday Morning Awards. Both have helped me prepare me for this position as District Treasurer by teaching me how to have patience, to be diligent, and to collaborate. I will utilize each of these skills to ensure you all a successful service year.

My main goal for this upcoming service year is to increase membership. My five step plan is called PIXIE:

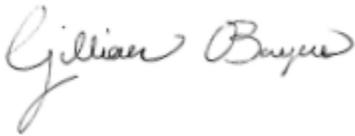

P: Plan for the service year now so clubs are prepared to pay dues.

- I:** Inform to increase club chartering among all members of Key Club.
- X:** Lead by example, and do all my tasks as District Treasurer diligently and effectively.
- I:** Increase contact with Kiwanis.
- E:** Work on increasing membership enthusiasm.

I am incredibly excited to begin working with all of you to complete our goals for this incoming service year. I believe that through resilience and passion, we can make it even more successful than the last. And I will work hard to ensure that each and every one of you are able to effectively serve your home, schools, and communities.

As I would always say at the end my emails to my division, if you have any questions, comments, or concerns, do not hesitate to contact me!

Yours in Caring and in Service

Gillian Bayne
